The construction by the Applicant(s) shall not violate any other norm as may be stipulated in the zoning plan. The Applicant(s) specifically agree(s) that the plot shall not be partitioned / sub-divided / fragmented / remodeled / additionally constructed in any manner as this will be a clear breach of the conditions as may be contained in the zoning plan to be approved by the Competent Authority(ies). Further the Applicant(s) specifically undertake(s) to strictly abide by all norms and conditions of the zoning plan, notifications, rules, bye-laws and/or any other approvals granted by the Competent Authority(ies) in respect of the plot/Said Colony as may be applicable from time to time. It is made clear to the Applicant(s) that it is not permissible to join and make contiguous the plots which are behind each other and the Applicant(s) hereby undertake to abide by this condition. Similarly it is made clear that it is permissible, subject to the approval of the Competent Authority(ies), to join and make contiguous the plots which are next to each other and are lying side by side in a row (not behind each other). It is specifically made clear to the Applicant(s) that the approval of the building plan(s), occupation certificate etc. shall be at their sole costs and responsibilities and the Company shall have no role in the same whatsoever.
6. The Applicant(s) hereby agree(s) to pay in addition to BSP, preferential location charges for preferential attribute(s) as described in this Application and to be paid in a manner and within the time as stated in the payment plan. However, the Applicant(s) has/have specifically agreed that if due to any reason including the change in the layout plan, any of the preferential location attribute(s) gets deleted then the company shall be liable to refund only the amount of such preferential location attribute(s) as applicable if already paid by the Applicant(s), without any interest and such refund shall be adjusted in the next pending installment due from the Applicant(s) immediately upon such determination being done. 7. While calculating the sale price of the plot, the Company has not taken into account the External Development Charges (for short referred as the "EDC") and Infrastructure Development Charges (referred to as the "IDC"), and other charges including but not limited to Infrastructure Augmentation Charges (referred to as "IAC") as levied by Government of Haryana and the Applicant(s) accordingly agree(s) to pay to the Company EDC, IDC and IAC and all increases thereof as may be levied by the Government of Haryana from time to time and as and when demanded by the Company. The amount payable by the Applicant(s) towards EDC and IDC as presently calculated as per the data available with the Company is stated and demanded as per the payment plan attached as **Annexure II** However it is

made clear by the Company and understood by the Applicant(s) that this amount is only an estimate based on the data presently available with the Company and will actually be known only when the demand is raised by the Government of Haryana. It is also made clear to the Applicant(s) that all such levies/ increases may be levied by the Government of Haryana with prospective or retrospective effective from the date of licence of the Said Colony. The Company makes it clear that if it is required to pay such levies, EDC, IDC, interest and other charge etc.; in such prospective /retrospective manner from the date of Licence(s), then the Company shall demand, and the Applicant(s) undertake(s) to pay the same proportionately in the manner in which the area of the Plot bears to the total area of the Said Colony as calculated by the Company. It is made abundantly clear that all EDC, IDC and IAC are solely to the account of the Applicant(s) and the Company shall have no liability in this regard. Further it is made known to the Applicant(s) that the Government of Haryana may also levy other charges at any stage including on the completion of the Said Colony or thereafter the demand for which will be raised by the Company and the Applicant(s) undertakes to pay the same on demand to the Company. Apart from the above demand as stated, for the sake of clarity, it is emphasized and understood by the Applicant(s) that there could be future levies/ increases in EDC and IDC during the occupation of the plot and the same shall be charged and the Applicant(s) agree(s) to be liable and pay all such future levies/ increases as and when demanded by the Company and this undertaking by the Applicant(s) shall always survive the conveyance of the Plot in favour of the Applicant(s). The Applicant(s) has/have agreed that having understood this position the Applicant(s) undertake(s) not to default on the payment of such prospective/ retrospective increases in EDC/IDC/IAC and when demanded by the Company. The Applicant(s) specifically recognizes that such demand when made will constitute unpaid sale price and agrees that even if such levies are demanded by the Company after the sale deed is executed in favour of the Applicant(s), the Company shall have lien on the plot to the extent of such unpaid sale price and the Applicant(s) hereby confirm(s) that the Applicant(s) would not object and agree(s) to cooperate if the Company resumes the possession and ownership of the plot and / or take all legal measures to recover such unpaid sale price upon the Applicant(s) defaulting on such payment.

In addition, the Applicant(s) also agree(s) to pay Govt. rates, cesses, charges, wealth tax, property tax or taxes of all and any kind by whatever name called, whether levied, or leviable now or in future, as the case may be from the date of this Application with regard to the area of the plot in the Said Colony prior to the execution of the sale deed. If such charges are increased (including with retrospective effect) after the sale deed has been executed, then these charges shall be treated as unpaid sale price of the Plot and the Company may have lien on the Plot of the Applicant(s) for the recovery of such charges and the Applicant(s) hereby confirm that the Applicant(s) would not object and agree(s) to cooperate if the Company resumes the possession and ownership of the Plot and / or take all legal measures to recover such unpaid sale price.

8. The Company and the Applicant(s) hereby agree(s) that the Earnest Money for the purpose of this Application and Agreement shall be Rs 30,00,000/- (Rupees thirty Lac only) payable at the time of the booking.. The Applicant(s) hereby authorise(s) the Company to forfeit this Earnest Money along with the interest on delayed payments, brokerage, other charges, and taxes, if any incurred by the Company, etc., in case of non-fulfillment of the terms and conditions herein contained and those of the Agreement as also in the event of failure by the Applicant(s) to sign and return to the Company the Agreement within 30 days from the date of its dispatch by the Company.
9. The payment on or before due date, of Sale Price and other amounts payable as per the payment plan accepted by the Applicant(s) or as demanded by the Company from time to time is the essence of this Application and the Agreement.
10. (a) The Applicant(s) has/have applied for the allotment of a residential plot as per the layout plan presently approved by the Competent Authority. However it is made clear by the Company that the present layout plan may be subject to change and if such changed layout plan is approved by the Competent Authority then it may lead to a change in the Plot number, location and size according to the new layout plan. Any changes/modifications/ amendments as may be made by the Competent Authority(ies) in the layout plan for the Said Colony in future, shall automatically supersede the present approved layout plan. The Company has made clear to the Applicant(s) that the demarcation and zoning plans for the plot / Said Colony are not, at present, approved by the competent authority(ies).
- (b) The Applicant(s) hereby confirm(s) that the Applicant(s) shall have no objection if the Company makes suitable and necessary alterations in the layout plan, if found necessary, and such alterations may involve the change in the position of the plot, change in the number of the plot, change in the dimensions or change in the area of the plot etc. However, in case of any major alterations / modifications resulting in ±
