FIRST IMPRESSIONS

Entrance Lobby

AS YOU ARRIVE FOR THE SOIRÉE, you step out from the exclusive parking space into a double height lobby comparable only to the best luxury hotels. From here, you ride up in the capsule of the panoramic glass lift that exclusively serves the four levels of Revanta Royalty between the 27th and 30th floors. It reveals a stunning view of the ancient Aravallis.

In a short while, you step out and glide down the hall. The shimmer of light and depth of sounds that escape are a for taste of the evening that

will unfold. You lightly touch the beautifully finished Versace doorknob as you walk in. Excellence hints itself in the details.
