

PURI CONSTRUCTIONS

EMERALD BAY

PURI CONSTRUCTIONS

EMERALD BAY

After the grand success of Diplomatic Greens, Puri Constructions presents Emerald Bay - an exclusive development of signature apartments and villas directly on the Dwarka expressway.

With superior craftsmanship, meticulous attention to detail, soothing landscaping and extensive zen gardens, Emerald Bay is a hidden gem yet to be discovered.

Emerald Bay will be the greenest luxury living on Dwarka Expressway for the discerning few.

Artistic impression

The 8 lane, 150 meter wide and 18 km long Dwarka Expressway: the new Shangrila of Gurgaon

Actual picture of Dwarka Exressway under construction right at the frontage of Emerald Bay.

- / Welcome to an era of congestion free travel - from Dwarka or Airport to Manesar via NH8, Gurgaon
- / Sectors along Dwarka Expressway when completed, will be planned, premium & contemporary as per the Gurgaon Master Plan-2021
- / Areas that fall in the periphery of this expressway are designed to become a posh destination and will compete with areas like Shanti Niketan and Vasant Vihar
- / Proposed Aerocity at The Hospitality District, IGI Airport is spread across 1.2 million sq. ft. and includes 4000 star guest rooms
- / The planned commercial belt along with The Dwarka Expressway and coupled with its proximity to New Diplomatic Enclave is attracting top notch MNCs, international hospitality brands, retail and entertainment industry

Emerald Bay is perfectly located in a neighbourhood that boasts everything the urbane lifestyle demands.

Landscape Architects: Site Concepts International

With a reputation for creating high quality professional planning and design, Site Concepts International (SCI) are currently one of the leading Landscape Architects of Asia.

SCI rely upon the guides of contextual compatibility, architectural continuity, and functional appropriateness to ensure a unique and lasting expression for each of design commissions.

Few of their works: FOUR SEASON, BALI | HARD ROCK HOTEL, PATTAYA & BALI | BELLE MARE, MAURITIUS

Principle Architects: ARCOP

With headquarters in Montreal, Canada, Arcop is well known all over the world with the marvels they have timely created. They are presently engaged in many buildings and planning projects in India, Kenya, Madagascar, Afghanistan, Bangladesh, Syria, Dushanbe, USA, Canada and China.

An important principle which Arcop emphasizes, in both architectural and planning projects, is the explicit delineation of the project infrastructure; pedestrian movement spaces, other movement systems and public amenities, which are then designed as high quality spaces.

Few of their works: JAYPEE GREENS, NOIDA | HOTEL MUGHAL SHERATON, AGRA | THE LABURNUM, GURGAON | PALM SPRINGS, GURGAON, ETC.

Puri Constructions: Delivering Quality in each endeavor

Construction business has been the core activity of Puri Constructions. With a legacy of more than 30 years, Puri Constructions has completed numerous projects ranging from steel plants, dams, luxury hotels and state owned institutions to new-age residential and commercial spaces.

Puri Constructions has always been associated with supreme quality and creates spaces with the best of features within record time. With more than 5 million sq.ft. of completed projects and 14 million sq.ft. of projects under development, the Company has noteworthy credentials.

The Palm Springs, Palm Springs Plaza, Pranayam, Pratham, VIP Floors, Diplomatic Greens and 81 High Street are the projects that have set new benchmarks in both design and execution.
