The Sound of Water
By **PURAVANKARA**

A UNIQUE THEME BASED
VILLA PROJECT INSPIRED
BY THE FINEST
ELEMENTS OF A RAINFOREST

A world unfolds. A world you haven't experienced yet. A world that until now was relegated to the realm of dreams and filmlore. Welcome to The Sound of Water, off Bannerghatta Road. A grand, remarkably serene lifestyle set on approximately 20 acres of lush green zone where a lot of surprises await you. Some mind-blowing. Some heart-warming. And most of them, soul-satisfying.

Let the exploration begin...

MASTER PLAN

"This project is sanctioned under the group housing scheme of BDA"

A WATERFALL SO THERAPEUTIC IT WILL BLOW AWAY YOUR WORRIES EVEN BEFORE YOU STEP CLOSER.

I FEEL MOST AT HOME IN THE WATER.
I DISAPPEAR. THAT'S WHERE I BELONG.

- Michael Phelps

Water symbolizes purity, clarity and calmness, but what you'll get to know at The Sound of Water is the energetic aspect of it. Like the origins of all great rivers...it starts off on a calm, meditative note right at the top of the culture club, right in the region of infinity pool.

Here, you can savour a sundowner and drink the entire project and the adjacent NICE road. But meanwhile, the water gains energy right below you and leaps down and takes the shape of a magnificent waterfall (the biggest manmade waterfall in Bangalore). This gushing water is guided to a lake. Where on any given day, you can hear the shrieks of delight from the assembled groups of children and adults.

Wait a minute... is that your daughter trying to outdo her friend in a game of splash. Turn your attention from the lake to the stream. Now, gaining speed the water snakes through the canals criss-crossing the orchards, villas and fountains to finally settle into a gentle flow... regaining its blissful character once again.

FEEL BLESSED.
THE TEMPLE OF
BODY AND MIND.

I JUST NEED GREEN. I NEED TO WAKE UP AND SEE GRASS AND SQUIRRELS. I DON'T WANT TO SEE SKYSCRAPERS.

- Andre Leon Talley

NO FOOTWEAR ZONE

Enter a zone so serene, you'd think you're miles away from Bangalore. Cocooned amidst thick green blanket, The Sound of Water, is a blessed relief from the concrete jungle you happen to endure everyday. Enjoy the sound of silence interspersed with bird tweets, cool breeze and water whispers.

Ever walked with complete awareness? Maybe you can take a barefoot stroll on the thoughtfully laid out walkway leading up to The Temple of Body and Mind. A walkway that'll uplift you instantly. Paved with stones, pebbles, river sand, water and grass, it's a stretch that will pamper and massage your feet in as many ways. Go ahead, walk towards a healthy future.

PEACE IS WHEN TIME DOESN'T MATTER AS IT PASSES BY.

- Maria Schell

And as you walk, don't be surprised by the greetings of birds and animals. Cute little rabbits, cuter looking squirrels. And yes, there's a tranquil pond where you can watch the ducks float past and the gentle koi carp fish urging you to relax. Now you've reached the most cherished spot on

this lush green land – The Temple of Body and Mind. Just the sight of that imposing Buddha statue is enough to make you feel at peace with the world. Want to close your eyes and spend some time connecting with your inner self? Hop on to that meditation deck and make yourself comfortable.

INSPIRED BY
NATURE.
CRAFTED WITH

WATER VILLAS | EDEN VILLAS | SUNRISE VILLAS
(Semi Detached)

THE ULTIMATE OF BEING SUCCESSFUL IS THE LUXURY OF
GIVING YOURSELF THE TIME TO DO WHAT YOU WANT TO DO.

- Leontyne Price

Revel in the serene setting of our water villa and feel at once with nature. Surrounded by the trees and swirling stream outside, the whole ambience will instantly soothe your senses.

Experience the flowers in full bloom, butterflies dancing in the air and bird songs punctuating the night with their rhythmic notes. Now, step inside. Welcome to spacious interiors, well-appointed marble floors and large rooms that justify your wealth and stature. The fixtures are top-of-the-line and specifications are anything but ordinary. And yes! There's a private splash pool to indulge in this private haven.

Planning to throw a surprise party? Head to the private garden, set up the barbeque under the star-lit sky. But more importantly, this magnificent villa is not too far away from the city center. It's just 2.5 km from Royal Meenakshi Mall on Bannerghatta road. After all, a busybee like you can't afford to stay away from the boardroom action, right?

BUY BANNERGHATTA. BUY PURAVANKARA.

While most of us have witnessed the appreciation of Bangalore's realty prices, we still tend to repent over missed investment opportunities in potentially promising locations.

So, here's our suggestion - don't miss out on Bannerghatta Road. As one of the most sought after localities in South Bangalore today, Bannerghatta Road, has seen a significant investment in Infrastructure - easy access to Metro Rail & NICE Road; presence of a growing social infrastructure, the booming IT market and the presence of organized retail, world class medical facilities with healthy business activities make Bannerghatta Road a red hot location to stay invested.

- Here are some of the indicators:
- 275 crores is being invested to widen Bannerghatta Road, making it a signal free corridor. According to BBMP road department, the road will be widened from the existing 25-30 mtrs to 45 mtrs.
 - Easy accessibility to Metro Phase 2 will make it the most sought out localities. Proposed Gotigerre Station, which is just 2.5kms from 'The Sound of Water'.
 - Since 2010, South Bangalore, has shown a price appreciation of nearly 100%.
 - Over the last 5 years the neighboring JP Nagar has developed into one of South Bangalore's premium Residential hubs connecting Bannerghatta Road and Kanakapura Road. During this period JP Nagar has witnessed exponential growth in real estate development resulting in prices appreciating from 33% to over 100%.
 - The neighbouring BTM layout with posh residential and lifestyle shopping infrastructure has pushed the realty prices and has gone up by 33% in the last four years.
 - Bannerghatta Road, today hosts all the major IT and Service organization, such as Oracle, Accenture, Adobe, Cisco, IBM, EMC, HSBC, Honeywell etc which employs over 1,00,000 professions and has significantly fueled the economic activity around this area. Even the Jigari Industrial Area is located in close proximity.
 - Electronic city, which is close to 'The Sound Water' project employs over 2,50,000 professionals. The other major IT companies such as are on the Bannerghatta Road adding to its glory.
 - Social infrastructure in and around Bannerghatta Road, too is witnessing an increased growth with the presence of renowned educational institutions, world class hospitals and entertainment centers.
 - The close proximity of Bangalore Mysore Infrastructure Corridor (NICE to 'The Sound of Water' project has improved its connectivity with Koramangala, Electronic City, Kanakapura Road and Mysore Road.

So, if you want to cash in on a great opportunity, here it is: Invest in "The Sound of Water", by Puravankara. It makes a lot of sense - both as an investment and as a residential option.
