3. The Intending Allottee(s) agrees that he/she shall pay the price of the shops/ commercial space(s) and other charges calculated on the basis of super area which is understood to include pro rata interest of the common areas in the Complex only. It is further understood and agreed by the Intending Allottee(s) that the calculation of super area of the commercial space(s) given in this application is tentative and subject to change as directed by the competent authority. The definition of super area of the shop(s)/ commercial space(s) shall be more clearly defined in the Builder Buyers' Agreement and the Intending Allottee(s) agree(s) to accept the same and upon execution of that agreement the method of calculation of super area stated therein shall become binding on both the parties.
- 4.1 The Company has calculated the total price payable by the Intending Allottee for the said shop(s)/ commercial space(s) on the basis of its super area which comprises of the shop(s) / commercial space(s) area and the proportionate undivided share in the common areas and facilities within the said Complex only. In addition though not forming a part of the computation of super area for which price is charged, the Intending Allottee shall have the ownership of undivided proportionate share of the land underneath the footprint of the complex of the said complex only calculated in the ratio of super area of his/her shop(s)/ commercial space(s) to the total super area of all the shop(s)/ commercial space(s) in the Complex only. - 4.2 It is made clear by the Company and agreed by the Intending Allottee that all right including the ownership thereof of land(s), facilities and amenities (other than those within the said Complex and the land underneath the said complex only), shall vest solely with the Company and the Company shall have the sole and absolute authority to deal in any manner with such land(s), facilities and amenities including but not limited to creation of further right in favour of any other party by way of sale, transfer, lease, collaboration, joint venture, operation and management or any other mode including transfer to Government / semi Government, any other authority, body, any person, institution, trust and/or any local body(ies) which the Company may deem fit in its sole discretion. The common areas and facilities and the undivided interest of each commercial space owner in the common areas and facilities as specified by the Company in the declaration which may be filed by the Company in compliance of Haryana Apartment Ownership Act, 1983 shall be conclusive and binding upon the commercial space owners and the Intending Allottee agrees and confirms that his/her right, title and interest in the said Commercial space shall be limited to and governed by what is specified by the Company in the said declaration and in no manner shall confer any right, title or interest in any lands, facilities, amenities and building outside the land underneath the footprint of the said Complex in which the said commercial space is located and the Company shall be entitled to sell, transfer, part with possession thereof or otherwise dispose of the same to any one and in any manner at its sole discretion and the Intending Allottee shall have no claim whatsoever of any sort therein. The Intending Allottee undertakes to join any society/association of the commercial space owners and to pay any fees, charges thereof and complete such documentation and formalities as may be deemed necessary by the Company in its sole discretion for this purpose.
- 4.4 it is made clear by the Company and specifically understood by the Intending Allottee that the Company may in its sole discretion and for the purpose of complying with the provisions of Haryana Apartment Ownership Act, 1983 or any other applicable laws substitute the method of calculating the proportionate share in the ownership of the land underneath the footprint of the said complex and/ or common areas and facilities as may be described by the Company in its sole discretion in any declaration, by calculating the same ratio of his/her commercial space's value to the total value of the said Complex(s) Project/ scheme, as the case may be, and that the Intending Allottee agrees not to raise any objections in this regard.

5. The Intending Allottee hereby agrees to pay additionally as preferential location charges (if applicable) for preferential location as described in this application and in a manner and within the time as stated in the payment plan.
